THE BARONET

1942

Johnstown High
Johnstown N. Y.

FOREWORD

'Tis education forms the common mind:
Just as the twig is bent, the tree's
inclined.

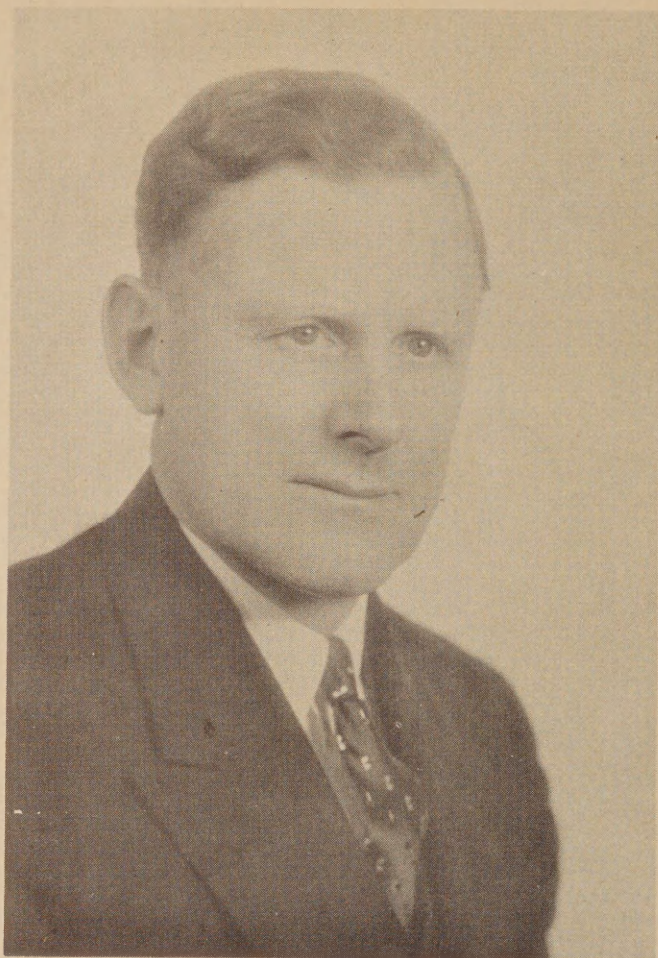

The staff of the BARONET hopes that the reader will find within these pages a record of achievements of the Sophomore, Junior, and especially, the Senior Class. During the year an excellent program of activities has been completed by the student body, making a year to be well remembered. We have tried to furnish you with a lasting record of both work and play for the school year 1941 - 42.

Realizing that what we will ultimately become depends greatly on the training of our early years, we have chosen our theme to express that thought. As we have been guided at Johnstown High, so will we grow!

DEDICATION

To the advisor of the class of '42,
Miss Vianna Streeter, who with quiet tact
and understanding has helped to bend our
supple characters toward the realization
of more mature personalities with which to
meet the future.

SENIOR CLASS HISTORY

Out of the forest of learning we come, as strong and sturdy as the gnarled oak. Although the years of study have taken many from our ranks we still emerge from Johnstown High School one hundred and twenty-four strong.

In our senior year we have been encouraged by such successes as the Senior Play, the New Year's Eve Dance, and the Senior Mixer. In the sports line, our boys in purple and gold have been an honor to our school. There were the occasions when our basketball team stemmed the crimson and white tide of Gloversville, and the success of our five in walking away with the championship of Class B schools in the western section of eastern New York league.

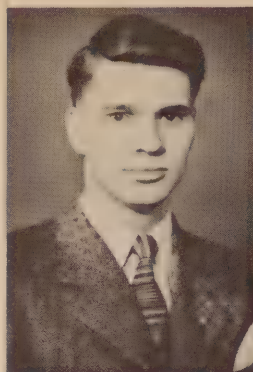

Under the helpful guidance of Mr. Wright and Miss Streeter, President Donald Ruch and Vice-president Robert Valachovic attended to the more weighty problems confronting our class, while Donald Rauer handled our money and Constance Lehman kept the minutes straight.

But all these things are in the past. We now leave our high school successes and mistakes to the Juniors and Sophomores, who have yet to feel the sense of superiority common to Seniors, while we go forth to join the ranks of alumni. The Senior girls, who until now have been toying with the boys, will really be out to catch their men. Many of the boys who have been hurling baseballs, footballs, and basketballs for J.H.S. will be hurling powder and steel at the Axis for Uncle Sam. To these we extend the hope that their prowess in sports will carry over to bring victory in a more serious struggle.

WILLIAM H. ALLFREY "Bill"

Bill is a boy who acts
pretty slow,
But give him a horse and
watch him go.

CLASS POEM

A vast procession, onward ever,
Hear the tramp of many feet,
Eager hearts with strong endeavor
Never thinking of retreat.

Four short years well filled with labor,
Burning oft the midnight oil,
Friendships formed with student neighbor
Lent enjoyment to our toil.

The carefree days of youth are done,
The future looms up stern and drear;
A world with battles to be won,
A world now terrified with fear.

Youth thinks to conquer consternation
After it leaves these sheltering halls;
Freedom to gain, emancipation,
Deftly leaping deep pitfalls.

Well armed are we to meet the host
Of life's travail and carking care;
We'll face Defeat's loud angry boast,
Girt with ideals, we can't despair.

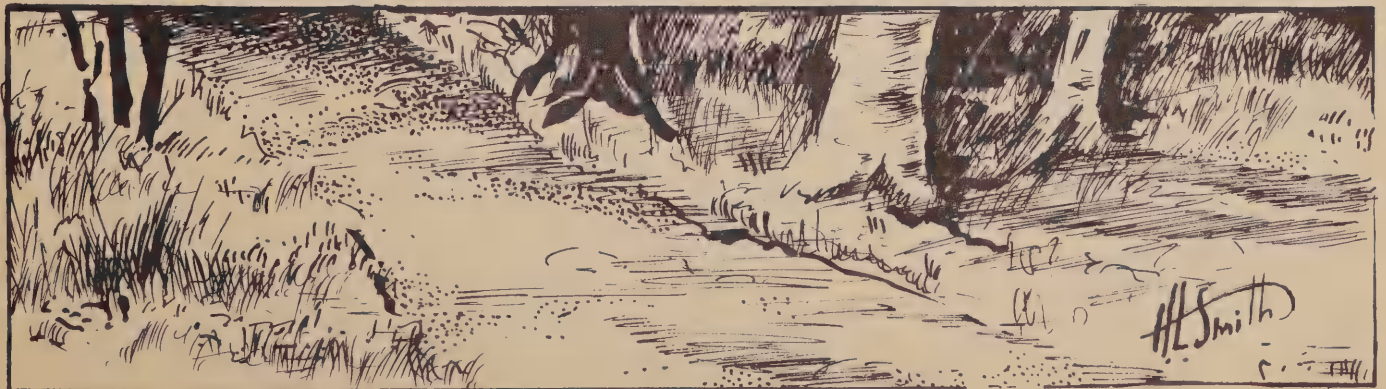

Deep in life's meaning we have delved,
More than mere textbooks could reveal;
Long after diplomas have been shelved
High School's impress we shall feel.

School ties perforce we now must sever,
As forth we go to make our weal;
But memory will endure forever
Forged with bands of lasting steel.

Frances E. Dennison

Ralph H. Gould

JUNIOR CLASS HISTORY

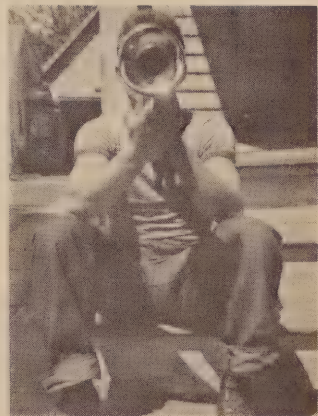

Having flourished through our Sophomore year like the proverbial green bay tree we are now almost as sturdy, though not so dignified (?) as those mighty Seniors, and ready to exercise our sway in these woods.

Under the faculty supervision of Miss Gerstmayer and student guidance of President Ralph Gould we began to make our presence known. Bob Holmes was chosen Vice-president, Mary Simek, Secretary; and Harriet Konyn, Treasurer.

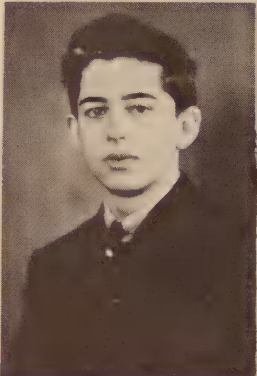

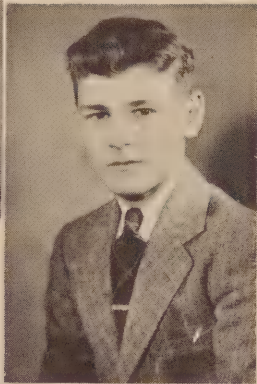

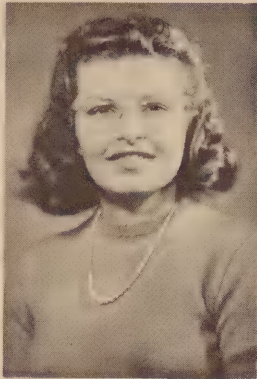

The Junior Prom loomed up as the goal toward which to work. With the idea of preparing for a social as well as financial success, we introduced a dancing club which gathered on different evenings to limber up, to the tunes of "all the top bands of the country -- from recordings." There was also a date bureau functioning to assure the shy individuals of being taken care of. Then May 8th the long-appointed day arrived when the Juniors and their guests swayed--and jived--to Tony Brooks' band in the Colonial Club's trellised ballroom.

George Oliver proved an able spokesman in the American Legion Contest while Betty Ann Liddle, Gloria Sutton, Betty Walsh, June Whitesell, Francis Brown, John Cole, Ladd Dillenbeck, and Ramon Parko carried on the tradition of prize speaking.

And so we grow.....

Pat Yeaple '44

SOPHOMORE CLASS HISTORY

In the forest of J. H. S., September of '41, up sprang the supple sapplings, commonly known as "Sophs." Our first major feat was electing our class officers. Pat Yeaple led our class as President and Randall Valachovic chimed in as Vice. Our "Penny Serenade" was sung by Art Ketchledge and "Little Stevie" Thompson acted as secretary as well as Coach Siedlecki's prodigy on the court.

It took us only a couple of months to take root and then we blossomed forth with our first social affair--the "Sophomore Spree." Having shown our ability for sophisticated square dancing, we decided to go original, introducing the school's first "Sadie Hawkins' Dance" which net us more money than men.

The talent of our class was shown when F. Simek, F. Chant, R. Valachovic, J. Brennan, R. Nolan, and E. Pierson put on skits to advertise each of our dances. With their parodies on melodrama and the movies, they had a large hand in the success of our dances.

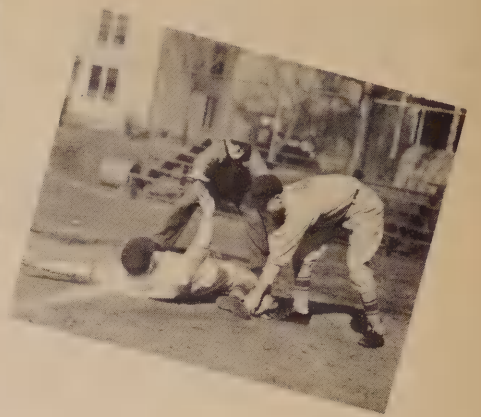

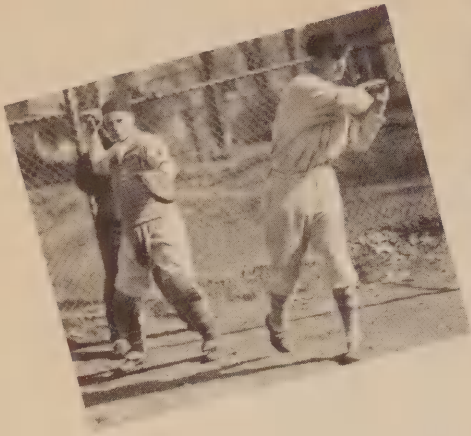

Miss van Valkenburgh, our faculty advisor, was as new in these woods as our verdant selves. Together we have grown up and become a real part of J. H. S.

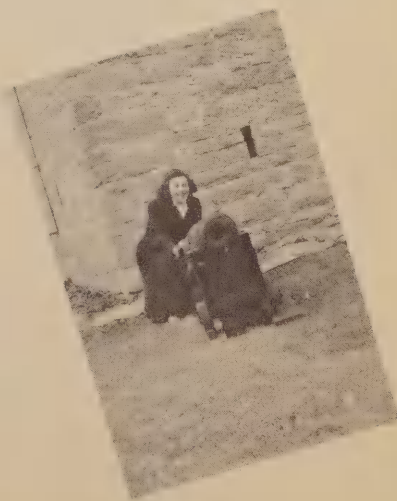

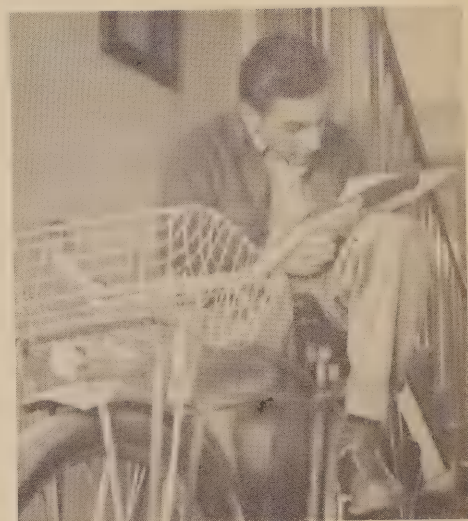

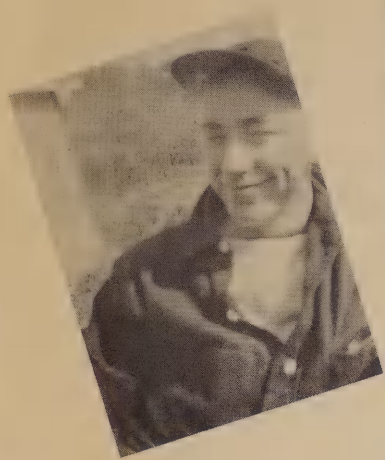

ACTIVITIES

Bob Holmes

STUDENT COUNCIL

We may carve another notch in the old branch of time to mark the passing of another successful year for our Student Council. This representative body consists of fifteen members elected each year by the students in each homeroom.

Miss Streeter has, as in several previous years, acted as advisor to the Council whose officers this year have been: President, Betty Walsh; Vice-president, Ralph Gould; Secretary, Harriet Konyn; Treasurer, Francis Brown.

The Council is faced each year with the problem of balancing the budget, so various methods have to be devised for raising money. This year the members sold candy during noon hours, and school stickers to adorn notebooks. The group also sponsored a very successful spring dance.

The standing committees for the year 1941-1942 are:

Athletics:	Alfred Valachovic	Assembly:	Arthur Ketchledge
	Dominic Fozzio		Robert Fann
Safety:	Harriet Konyn	Extracurricular:	Betty Walsh
	Betty Bates		Ralph Gould
	Steven Thompson		Robert Milford
	Milton Baird		Grace Ruggeri
	Robert Subik		Frank DeLagistris
	Francis Brown		

THE BARONET voices the appreciation of the student body for the quiet but efficient guidance of its governing body, the Student Council.

NATIONAL HONOR SOCIETY

First Row - Florence Morley, Sybil Fonda, Constance Lehman, Clara Fiacco,
Hilda Hahn, Frances Dennison, Jean Bevington
Second Row - Robert Fuller, Joseph Hanchar, Donald Rauer, George McMillan,
Dayton Stoss, Paul Valik
Third Row - Mrs. Margaret Saunders, Sponsor, Earl Hathfield, William V. .
Bartlett, Charles Fredericks, Edwin Ketchledge
Fourth Row - Henry Baker, Charles Carpenter, Edward Younglove, John Subik
Absent from picture: Mildred Lorenc

Twenty-two members of the Senior Class were honored with membership in the National Honor Society this year. This society, the first scholarship honor society for secondary schools, is called Phi Beta Sigma and was founded in 1900 to recognize high achievement among high school students. Those eligible to election must stand in the upper third of the class in scholarship, but consideration is also given to character, leadership, and service. Not more than fifteen per cent of any class may be elected to the society.

The emblem of the society is the keystone and flaming torch on which are engraved the letters SLCS representing Scholarship, Leadership, Character, and Service.

Mrs. Haggett.....Constance Lehman	Rosen.....H. Lane Smith
Davenport..William V. Bartlett	

In reviewing the eventful years of 1941 and 1942, the Seniors feel with righteous pride, that the presentation of THE LATE CHRISTOPHER BEAN was one of the high points of the year. Miss Becker again directed the production.

THE LATE CHRISTOPHER BEAN, by Sidney Howard, is built up around the paintings of a deceased artist. His paintings, once valueless, were suddenly found to be worth a fortune, and a struggle ensued over their possession. A Yankee doctor and his family went to all ends in order to obtain these pictures, which had been carelessly cast aside. The doctor, his wife, and daughter Ada tried to get a painting from Abby, their maid, to whom it rightfully belonged. Meanwhile, with telegrams pouring in from New York, and important personages as well as imposters arriving, the doctor's family and especially Abby were quite disturbed. A general mixup ensued, but in the end the much misused Abby came out on top and gained possession of all the paintings.

BUGLE STAFF

This year our school newspaper, THE BUGLE, under the able editorship of Lea Mezzano and faculty advice of Miss Gerstmayer succeeded in publishing some of the best papers seen in this school in a long time.

Several times during the season the Bugle "scooped" the local newspapers. It did this once in Junior Prize Speaking, once in National Honor Society, and once in the announcement of future chapel programs.

There were several new and interesting features started this year, among them the "Jive" page, done by Bob Holmes and Ron Waite, and the History Quiz page compiled by members of the History department.

Sally Vaughan kept up the good work done by the "Inquiring Reporter," and Doris Johnson did an excellent job with her Fashion Page. We also owe much to Betty Ann Liddle for her excellent work in increasing our exchange circulation.

We congratulate THE BUGLE on this year's work, and hope that it will continue its excellent performance in the years to come.

ORCHESTRA AND BAND

The giant Sequoia trees have been likened to "mighty waving goldenrod, ever in tune, singing wind music all their long century lives." We too, have our "tree-music" to be enjoyed by those who have their ears tuned to varied pleasing melodies.

Each assembly program is opened and closed by rousing marches. In the past year the orchestra has played every kind of piece, from a Mexican Waltz to a Schubert Minuetto. At the Spring Music Festival, each member who wasn't in the chorus formed a small orchestra which accompanied the "Ode to America." This number topped a program of fine music given by the Knox and Senior High School music departments.

Outstanding individual performances of the year have been the flute and clarinet duet by Betty R. Hanson and John Vedder at the Spring Music Festival and piano solos by Virginia Burtch and Betty Hanson at the State Music Festival Competition at Saratoga.

CHORUS

After faithful rehearsals under the direction of Mr. Hammond, who this year took over the chorus work formerly done by Mrs. Allfrey, the chorus presented a most enjoyable Cantata at the Christmas assembly. Many individuals were given the opportunity to carry solo parts.

At the State Music Festival Competition, the chorus sang before a group of noted judges. Three vocal soloists entered the competition also: Fritzann Haban, Jean Hoffman, and George McMillan. Jean and George also sang a duet at our own Spring Music Festival. The chorus as a whole sang three selections which were very well received by the audience: a spirited Negro spiritual type called "Move up the King's Highway" by R. L. Nolan; a pleasing ballad, "When the Home Bells Ring Again" by H. Wood, and a catchy tune called "Ma Little Banjo" by Dichmont.

GIRLS' HI-Y

The Girls' Hi-Y continued another enthusiastic season this year, meeting at the Y. M. C. A. every first and third Thursday under the direction of Miss Putnam and Miss Dodge. As usual the annual banquet will be held in June honoring the Girls' Hi-Y members of the Class of 1942.

The 1941-42 officers were:

President.....Irene Riska
 Vice-President.....Evelyn Skalla
 Recording Secretary.....Mildred Lorenc
 Corresponding Secretary..Helen Valachovic
 Treasurer.....Allyson Smith

The following schedule of meetings proved most successful:

October 23	Informal initiation of new members
November 6	Formal initiation of new members
November 27	Demonstration of "make-up" by Miss Betty Jakubec
December 11	Christmas party
February 21	Joint meeting Girls' and Boys' Hi-Y with swimming party
February 26	Bandage rolling for Red Cross
March 7	Food sale
March 12	Mr. Willcox, guest speaker

LETTER MEN

The 1941 season was not a particularly successful one although injuries hampered the team somewhat. Even before the second game Phil Santangelo, one of our fastest backs broke an ankle which put him out of the remaining games.

Those boys who have worn the J. H. S. uniform for the last time are: Len Dye, Jack Wells, John Lyons, Joe Oliver, and Bill Allfrey. The members of the team who are graduating this year are: John Subik, Henry Baker, Bob Fuller, Phil Santangelo, Dom Pozzio, and Dick Smith.

The squad was captained by Jack Wells, who did a great job at tackle all season. Managers were James Wilson, Alfred Valachovic, and Robert Hayner.

In review of the season Coach McFadden said: "The football squad of 1941 began the season without the services of the complete backfield of 1940, and without first team ends, tackles or center. Many of the regulars who had accomplished an undefeated season were lost by graduation. The development of a smooth working combination proved to be a slow and difficult job. The small, light backfield found it difficult to adjust itself to a bigger but slower line. The team on occasions played some of the best high school ball on Knox field, only to lose form and slow down. Extra points proved costly as two major contests were lost 6-7. A squad that had fought hard, finally threw off the effects of a trying season, and after a rest of two weeks came back to defeat Whitehall 24-2, a team that had been undefeated since 1937. The blocking and tackling demonstrated was exceptional, and the perfect coordination of plays suggested that the team had "arrived" although a little too late to win some close games. The season was highlighted by the amazing kicking of John Subik."

BOWLING

At the end of the bowling season the following men had the five highest averages: F. Troutwine, 170; R. Valachovic, 169; J. Hanchar, 165; L. Ryder, 154; J. Zajicek, 153. High single and total records were made by Fred Troutwine, 258 high single and 613 high total.

The varsity team lost all its matches this year, but the Jayvees won four and lost only one. At the intersectional meet the J.H.S. Varsity placed sixth and the Jayvees came in close behind in eighth place. This year Mr. Brady acted as coach and Joe Zajicek was manager.

BASKETBALL

The 1941 - 42 basketball season was one of the most successful in years. The team won eight out of eight league games to become the undisputed Class "B" Champs. In the Semi-Finals, they lost to Glens Falls at Convention Hall, Saratoga. Despite this fact, we are proud of our team. They took Gloversville to the cleaners twice 36-30 and 45-27.

When the regular season ended the J. H. S. Varsity boasted of a 12 won 3 lost record, while the Jayvees won 8 and lost 6. The personnel of the team and their points scored are as follows:

Player	Field Goals	Fouls Tried	Fouls Made	Total Points
Wells	51	39	20	122
Thompson	49	34	20	118
Subik	40	52	33	113
Allfrey	20	54	33	73
Polacek	28	29	13	69
Fredericks	5	7	4	14
Fozzio	3	14	7	13
Hayner	2	3	0	4
Colleta	1	1	0	2

Phil Santangelo and Ed Younglove were also members of the Varsity.

Pete Colleta led the Jayvees in scoring with 74 points, followed by Genovese 64, Cundaro 38, Maxian 35, Waldo 34, Duffy 24, Myakis 22, Van Alstyne 21, Hann 17, Spano 10, Younglove 1, and Preston 1.

The main body of the team consisted of Jack Wells, high scoring center, John Subik, fighting forward, Captain Fred Polacek, guiding guard, Steve Thompson, flashy forward, and Bill Allfrey, game guard.

Mr. Siedlecki as Coach has done a swell job and we hope he has as successful teams and seasons in the coming years. Martin Gonyea, manager of the team, handled his duties well and capably.

BASEBALL

The J. H. S. baseball season is now under full steam. The season's schedule is composed of seventeen games, four of which are with Gloversville and two with a new opponent, St. Mary's. The highlight of the season was a trip to Cooperstown and a guided tour through the famous Hall of Fame conducted by the Cooperstown students.

The team includes five veterans: Johnny Subik, leading batter who ended last year's season with a .450 average, Bob Hayner, southpaw pitcher, Berny Miller, fleet outfielder, Charlie Fredericks, stellar first baseman, and Dick Fitzpatrick, hard-hitting Junior catcher. The candidates for the remaining berths who looked good are: Ed Duffy, Steve Thompson, Bob Hann, Joe Hanchar, Ed Younglove, Dom Fozzio, and Hank Baker. The bulk of the pitching staff will be three southpaws, Bob Hayner, Louie Coulter and Frank Ruggeri. Don Rauer, a righthander with an overhead sinker ball, was showing great promise at the time of this writing.

TRACK

The track team is having a busy season. Five meets were finally scheduled and a night meet at Johnstown was pending at this writing.

Veterans of the '41 team who are returning are Jerry Little and Phil Santangelo, who placed second and third respectively in the State Sectional Meet; Lance Ryder, Frank Demi and Bob Fuller. Those not returning are Blaine Butler, Doc Charles, Tiger Lyons, Bob Healy, Charlie Carpenter and Jim Quinlan. At the State Sectional Meet, Jim Quinlan set a new one-half mile record of 2:03. This is very good time for high school competition.

Of the forty-five fellows who reported for Track, a great majority are young and inexperienced, many of them being Knox students. Despite their "greenness" the fellows are fighting to win all the time.

G I R L S '

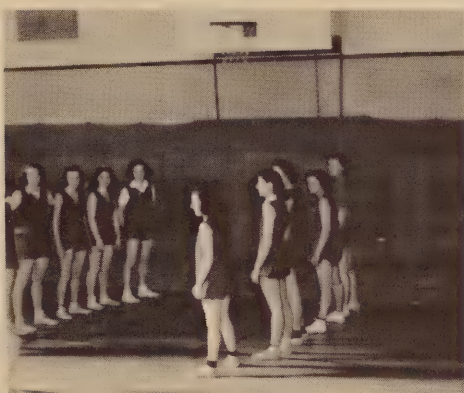

S P O R T S

Volleyball was first introduced as a Fall sport this year, taking the place of soccer. Fifty-three girls took part and interest was high considering that upper classmen had never played volleyball as an intramural sport. Most of the schedule was played out-of-doors on Knox field. Preceded by three weeks of practice, the tournament opened October 2 and play went on for six weeks. The standings of the teams at the end were:

Captains	Won	Lost
Morley	11	2
Putman	8	6
Walsh	4	9
Patterson	3	9

The Physical Education Department was assisted by Paulette Wilson, a high school alumna, and Miss Dorothy Smith, recreational directoress of Knox Field.

Basketball season opened the Thursday following Thanksgiving with 46 girls signed up. Captains were elected as follows: Anna Viola '42, Irene Rector '42, Peggy Blethen '42, Madolyn Cromer '43 and Dorothy Northover '43. Although the schedule extended from December to March only eight games were played inasmuch as one team remained idle each week because of uneven number. Final standings of the teams were as follows:

Teams	Captains	Won	Lost	Tied
Fort Totten	Rector	6	1	1
Fort Slocum	Cromer	5	2	1
Fort McClelland	Viola	4	4	
Camp Davis	Northover	2	5	1
Fort Dix	Blethen	1	6	1

This year for the first time a member of the high school faculty assisted with the officiating of games. Miss Elizabeth Merrill, who was a member of the Women's Varsity Basketball team of St. Lawrence University, donated her services which were much appreciated by both the girls and Miss Wilms. Carolyn Rathburn and Eleanor Edick acted as official scorekeepers in a very capable manner. Mildred Jinks '42 and Betty R. Hanson '43 served as managers.

G I R L S

S P O R T S

The Girls' Bowling League rolled matches on the Alart Bowling Alleys each Monday afternoon from the first of November to the end of March. A total of 53 girls signed for this activity. They were divided into teams named for various makers of aircraft. The highest single (165) of the entire season was rolled by Barbara Allen on December 8 and high total (300) was made by Evelyn Jurica the same day.

Fourteen regular matches were rolled and at the close of the season three special matches were held, giving 28 girls in the League a chance to bowl in competition. Again the main event of the season was the match in which the 12 highest average girls and boys in each of their respective leagues took part. This was held on March 30 and resulted in victory for the "Gold" 1st team by a margin of 99 pins. In the other match the "Purple" 1st team gained the honors by 102 pins.

The personnel of the teams: The "Purple" 1st team--M. Sarris, J. Brunetto, A. Viola, L. Ryder, B. Allen, F. Troutwine. The "Gold" 1st team--E. Jurica, W. Herrick, E. Werner, J. Zajicek, I. Rector, J. Hanchar. The "Purple" 2d team--E. Farrant, Randall Valachovic, B. Walsh, C. Briggs, K. Montanye, D. Malatino. The "Gold" 2d team--C. Trumbull, R. Stefka, C. Lehman, F. Ruggeri, E. Patterson, R. Maxian.

Both high single (173) and total (420) for the girls in this match were rolled by Esther Farrant.

Of the other two matches, one was arranged for the second 12 highest average girls and 12 of the women teachers. In this match the girls were winners three games to one. In a roll-off match to determine the League Championship, the Martin entry, winner of 1st half took all 3 games from Lockheed, 2d half winner by a margin of 258 pins.

Miss Ruth Dodge and Miss Genevieve Mezur again very capably assisted Miss Wilms, Miss Dodge for her 6th year and Miss Mezur for her 2d year.

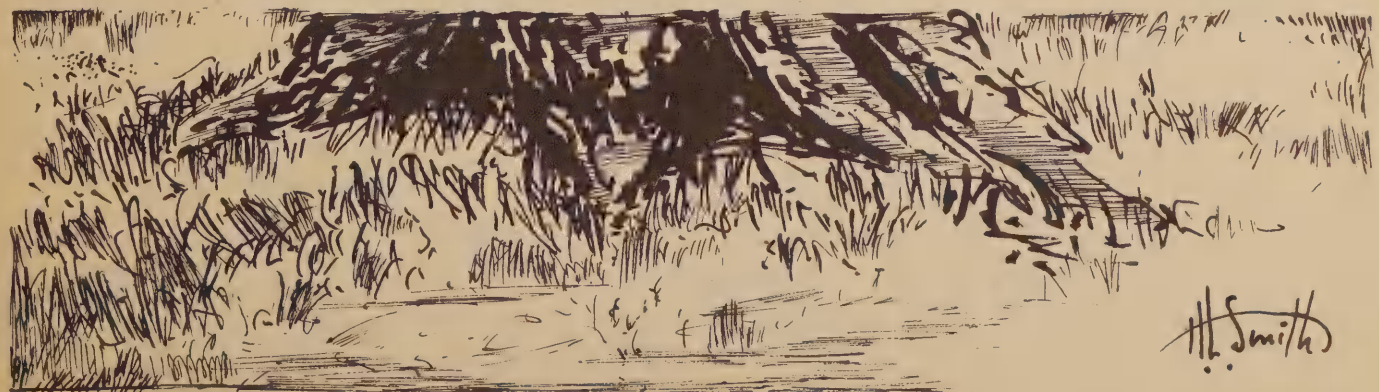

Last spring two teams of Softball were organized, one made up entirely of members of the Senior Class, the other a combined Junior-Sophomore team. Four games were played in the tournament which opened May 15th. The Seniors were victorious in all four games although several of the scores were very close. Such outstanding players as Dorothy Nare, Mary Marshall, Myrtle Cook, Peggy Martin, Veronica Diviyak, Florence Garfall, Eloise Hedden and Claire Sahut were lost by graduation, but it is expected some equally good talent will be available this spring.

To date, this year, a small group of girls have reported for Baseball but it is expected that with the advent of some spring weather more will report.

ADVERTISERS

LINERS - WISE AND OTHERWISE

Au revoir et bonne chance.--Patsy and Harriet

GRADUATES...

You deserve the self-satisfaction that comes from the knowledge of having been graduated from one of the finest school systems in New York State—a state noted for its excellent school systems.

Congratulations!

Every one of your high school teachers is a college graduate. Your New York State Board of Regents would not have entrusted your education into their hands had they not been.

In going on to higher education you deserve the instruction and help that can be given only by teachers as well qualified as your high school teachers which, of course, means

BRODEAN

the only school for higher education teaching business subjects in this section of the state whose teachers hold college degrees. They have had actual experience as executives in large business organizations, and are well qualified to assist you in the transition from school to business world.

CONSCIENTIOUSLY SERVING THE GLOVE CITIES
FOR NEARLY HALF A CENTURY

On its 50th Anniversary
GLOVERSVILLE BUSINESS SCHOOL
announces the new
V I C T O R Y C O U R S E
to start Monday, July 6
Classes from 8 a. m. to 1 p. m.
Mondays through Fridays

To enable you to more quickly prepare for office
work and thereby take the places of those who
must serve in the armed forces, Gloversville
Business School is starting its regular courses
two months earlier this year.

ACT NOW! Write, phone, or call at the school.
No increase in prices.
